

For more than a century, we have been shaping progress in our product sector as technology leader – whether it's starter motors, generators, start/stop systems or mild hybridization. Innovation, development expertise and the highest quality standards make us a reliable partner for automotive manufacturers – at 16 locations worldwide. Our products are not only efficient and durable, but also provide high functional flexibility and the right answers for global product platforms and more stringent CO₂ requirements.

Liquidity Controlling Specialist

Join our Great Place to Work for shaping the future of mobility. And yours.

You are there when we work together to shape the future of mobility! Become part of our interdisciplinary, international team at the location in Vila do Conde, Portugal. SEG Automotive Portugal, Unipessoal Lda. is the SEG group's Shared Service Center.

How your future looks like with us

- Be responsible for the liquidity controlling for EU / worldwide consolidation (direct & indirect methods);
- Act as a business partner for all entity controllers and be the bridge between them and Central Treasury & CFO;
- Analyze and understand the cash development of EU / SEG Group: MoM, RFC vs BP, STG;
- Support in the identification and definition of measures to be implemented to close potential deviations;
- Prepare and submit timely reports and presentations on financial status quo and forecasting;
- Ensure high standards and quality of data reported to its stakeholders;
- Keep improving processes through standardization and automatization of reporting files, supporting the RPA process implementation.

What you bring with you for a future with us

- Bachelor's or Master's degree in Finance, Business Administration, Controlling, or similar;
- At least 5 years of experience in Controlling, Audit, or similar in an internationally operating company;
- Strong MS-Office skills with advanced Excel level (knowledge of macros and automatization of files are a plus)
- Soft skills: Analytical thinking; a structured way of working; strong communication and organizational skills; Detail-oriented with a high level of accuracy; Independent and proactive work behavior;
- Very professional level of English, spoken and written (mandatory).

What we will offer you in the future

- The opportunity to work in a **Great Place to Work**, with a lot of innovation, the scope for design, and responsibility. This is supported by attractive additional benefits, such as flexible working hours and a hybrid working model.

Please send us your CV and tell us why you want to join SEG Automotive Portugal
