

For more than a century, we have been shaping progress in our product sector as technology leader – whether it's starter motors, generators, start/stop systems or mild hybridization. Innovation, development expertise and the highest quality standards make us a reliable partner for automotive manufacturers – at 16 locations worldwide. Our products are not only efficient and durable, but also provide high functional flexibility and the right answers for global product platforms and more stringent CO₂ requirements.

Professional Internship | Controlling

Join our **Great Place to Work** for shaping the future of mobility. And yours.

You are there when we work together to shape the future of mobility! Become part of our interdisciplinary, international team at the location in Vila do Conde, Portugal. SEG Automotive Portugal, Unipessoal Lda. is the SEG group's Shared Service Center.

How your future looks like with us

- Support in the liquidity activities regarding forecast and actuals;
- Support in the daily tracking of the company's main bank accounts;
- Support in checking and sharing, on a daily basis, the net financial status of SEG Group;
- Support in the implementation process of new liquidity controlling activities as well as support in current forecasts, pre-steering, and budget planning;
- Support the controllers in the preparation of reports for actuals and forecast scenarios (sales controllers, entity controllers);
- Support in the development of working places documentation.

What you bring with you for a future with us

- Degree in Economics, Finance, Management, or similar areas;
- No more than 1 year of working experience;
- Fluent command of the English language is required;
- Strong MS-Office (especially Excel);
- Soft skills: ability to work under pressure; team player; good cross-functional communicator; flexibility; logic thinking and analysis abilities; positive attitude;

What we will offer you in the future

- The opportunity to work in a **Great Place to Work**, with a lot of innovation, scope for design and responsibility. This is supported by attractive additional benefits, such as flexible working hours and a hybrid working model.

Please send us your CV and tell us why you want to join SEG Automotive Portugal
