

For more than a century, we have been shaping progress in our product sector as technology leader – whether it's starter motors, generators, start/stop systems or mild hybridization. Innovation, development expertise and the highest quality standards make us a reliable partner for automotive manufacturers – at 16 locations worldwide. Our products are not only efficient and durable, but also provide high functional flexibility and the right answers for global product platforms and more stringent CO₂ requirements.

Professional Internship | Controlling

Join us in shaping the future of mobility. And yours.

You are there when we work together to shape the future of mobility! Become part of our interdisciplinary, international team at the location in Vila do Conde, Portugal: SEG Automotive Portugal, Unipessoal Lda. is the SEG group's Shared Service Center.

How your future looks like with us

- Support in the implementation process of new controlling activities as well as support in current forecast and pre-steering budget planning;
- Support in the liquidity activities in regards to forecast and actuals tracking;
- Support the overhead cost controlling of the Headquarter departments located in Germany;
- Support the controllers in the preparation of reports for actuals and forecast scenarios (sales controllers, entity controllers);
- Support on transfer pricing related topics, namely transfer price calculation, SAP input and intercompany worldwide alignments;
- Support in the development of working places documentation.

What you bring with you for a future with us

- Degree in Economic, Finance, Management, and similar areas.
- No more than 1 year of working experience.
- Fluent command of the English language is required.
- Knowledge of MS tools is recommended.
- Soft skills: ability to work under pressure; team player; good cross-functional communication; flexibility; logical thinking and analysis abilities; positive attitude.

What we will offer you in the future

- The opportunity to work in a **Great Place to Work**, with a lot of innovation, scope for design, and responsibility. This is supported by attractive additional benefits, such as flexible working hours and a hybrid working model.

Please send us your CV and tell us why do you want to join SEG Automotive Portugal
