

For more than a century, we have been shaping progress in our product sector as technology leader – whether it's starter motors, generators, start/stop systems or mild hybridization. Innovation, development expertise and the highest quality standards make us a reliable partner for automotive manufacturers – at 16 locations worldwide. Our products are not only efficient and durable, but also provide high functional flexibility and the right answers for global product platforms and more stringent CO₂ requirements.

IT Security | Professional Internship

Join our Great Place to Work for shaping the future of mobility. And yours.

You are there when we work together to shape the future of mobility! Become part of our interdisciplinary, international team at the location in Vila do Conde, Portugal. SEG Automotive Portugal, Unipessoal Lda. is the SEG group's Shared Service Center. We are looking for a Professional Internship to further grow our IT team.

How your future looks like with us

- Investigate and document the application environment existing at SEG Automotive;
- Perform security tests at applications to find out vulnerabilities;
- Work together with application owners and third parties to solve the vulnerabilities found;
- Support in Information Security activities (documentation, management, etc.).

What you bring with you for a future with us

- Master's degree in Computer Science or IT Engineering;
- No more than 1 year of working experience;
- Proficiency in English (mandatory);
- Intermediate programming skills (C/C++, Java, Python, JavaScript, Nod.js, etc.);
- Basic system building / debugging skills;
- Basic understanding of Linux;
- Knowledge about cloud applications using APIs and services;
- Soft skills: ability to work under pressure; team player; flexibility; logic thinking and analysis abilities; positive attitude;
- Eligible for IEFP professional internship.

What we will offer you in the future

- The opportunity to work in a Great Place to Work, with a lot of innovation, scope for design and responsibility. This is supported by attractive additional benefits, such as flexible working hours and a hybrid working model.

Please send us your CV and tell us why you want to join SEG Automotive Portugal
