

For more than a century, we have been shaping progress in our product sector as technology leader – whether it's starter motors, generators, start/stop systems or mild hybridization. Innovation, development expertise and the highest quality standards make us a reliable partner for automotive manufacturers – at 16 locations worldwide.

Our products are not only efficient and durable, but also provide high functional flexibility and the right answers for global product platforms and more stringent CO₂ requirements.

Network Administrator

Join our **Great Place to Work** for shaping the future of mobility. And yours.

You are there when we work together to shape the future of mobility! Become part of our interdisciplinary, international team at the location in Vila do Conde, Portugal. SEG Automotive Portugal, Unipessoal Lda. is the SEG group's Shared Service Center.

How your future looks like with us

- Be responsible for central planning topics within the technologies around WAN, LAN, WiFi, Data Center Connectivity and Network Security for our global corporate network;
- Control operations and change management of our external service providers based upon our defined SLAs;
- Create and monitor maintenance and support plans;
- Create and update documentation;
- Responsible for customer, partner, and service provider alignment;
- Consult internal IT colleagues worldwide.

What you bring with you for a future with us

- Degree in Computer Science, or similar areas;
- Previous experience with active Network Infrastructure, Security and Network Services (Load Balancers, LAN, WAN, WiFi, Firewalls, Proxies, VPN, AAA, ...);
- Knowledge in topics around passive network infrastructure and protocols;
- Be able to understand complex dependencies and have fun working and implementing new technologies;
- Reliable, structured, and solution-driven work ethics;
- Soft skills: Analytical thinking; a structured way of working; good communication skills; Team player, good presentation skills;
- Good command of English spoken and written (mandatory).

What we will offer you in the future

- The opportunity to work in a **Great Place to Work**, with a lot of innovation, scope for design and responsibility. This is supported by attractive additional benefits, such as flexible working hours and a hybrid working model.

Please send us your CV and tell us why do you want to join SEG Automotive Portugal
