

For more than a century, we have been shaping progress in our product sector as technology leader – whether it's starter motors, generators, start/stop systems or mild hybridization. Innovation, development expertise and the highest quality standards make us a reliable partner for automotive manufacturers – at 16 locations worldwide. Our products are not only efficient and durable, but also provide high functional flexibility and the right answers for global product platforms and more stringent CO<sub>2</sub> requirements.

## Microsoft System Administrator
